## APPLICATION QUESTIONNAIRE

This document will assist the Planning Department in evaluating the proposed project and its potential environmental impacts. Complete and accurate information will facilitate the review of your project and minimize future requests for information. Please contact the Planning Division, 156 S. Broadway, Suite 120, Turlock, CA 95380 (209) 668-5640 if there are any questions about how to fill out this form.

PROJECT NAME: CAL FREIGHT - NEW TRUCK P. KARE LOT

**APPLICANT'S STATEMENT OF INTENT (DESCRIBE THE PROPOSED PROJECT):**

PROVIDE (43) NEW (PAVED) SEMI TRUCK PARKING SPACES

JIM AARTMAN

PROPERTY OWNER'S NAME: CP REAL ESTATE HOLDINGS, LLC

Mailing Address: 805 SOUTH LOCUST STREET, PIPER, CA 95366

Telephone: Business (209) 523.8323 x 224 Home ( )

E-Mail Address: daide@skwassociates.com

**PROJECT SITE INFORMATION:**

Property Address or Location: 2325, 2320, & 2375 INDUSTRIAL ROWS, TURLOCK, CA

Property Assessor's Parcel Number: 044-009-19, 20 & 21

Property Dimensions: SEE APN. MAP.

Property Area: Square Footage ±180,421 SF Acreage ±4.14 AC

Site Land Use: Undeveloped/Vacant (2) PARCELS VACANT Developed (B) TRUCK SERVICE FACILITY.

If developed, give building(s) square footage ±4,500 SF

**LAND USE DESIGNATIONS:**

ZONING: Current: INDUSTRIAL  
 Proposed (If applicable): INDUSTRIAL  
 GENERAL PLAN Current: INDUSTRIAL  
 Proposed (If applicable) INDUSTRIAL

**DESCRIBE ADJACENT ZONING AND EXISTING LAND USE WITHIN 300 FEET OF PROJECT SITE:**

**ZONE - EXISTING LAND USE (i.e., residential, commercial, industrial)**

North INDUSTRIAL  
 South INDUSTRIAL  
 East INDUSTRIAL  
 West INDUSTRIAL

**PROJECT CHARACTERISTICS**

**Site Conditions**

Describe the project site as it exists before the project, including information on topography, soil stability, plants and animals, and any cultural, historical or scenic aspects (if applicable)

OPEN UNDEVELOPED LOTS & (1) EXISTING TRUCK REPAIR / SERVICE BUILDING  
TO REMAIN. SITE IS RELATIVELY FLAT IN STABLE SILTY LOAM SOIL  
THERE ARE NO EXISTING, PLANTS, ANIMALS, CULTURAL OR HISTORIC & SCENIC  
ASPECTS.

Are there any trees, bushes or shrubs on the project site? No if yes, are any to be removed? No  
 If yes to above, please attach site plan indicating location, size and type of all trees, bushes and shrubs on the site that are proposed for removal.

Will the project change waterbody or ground water quality or quantity, or alter existing drainage patterns?  
YES If yes, please explain:

SITE WILL BE PAVED & LANDSCAPED. ALL RUNOFF WILL BE FILTERED  
BY BIO SWALES & BASINS.

If there are structures on the project site, attach site plan indicating location of structures and provide the following information:

Present Use of Existing Structure(s) TRUCK SERVICE BUILDING / SHOP.

Proposed Use of Existing Structure(s) TRUCK SERVICE BUILDING / SHOP.

Are any structures to be moved or demolished? No If yes, indicate on site plan which structures are proposed to be moved or demolished.

Is the property currently under a Williamson Act Contract? No if yes, contract number: \_\_\_\_\_

If yes, has a Notice of Nonrenewal been filed? N/A If yes, date filed: \_\_\_\_\_

Are there any agriculture, conservation, open space or similar easements affecting the use of the project site? No If yes, please describe and provide a copy of the recorded easement. \_\_\_\_\_

NA.

Describe age, condition, size, and architectural style of all existing on-site structures (include photos):

EXISTING, APPROX 10 YEARS OLD, METAL BUILDING W/ ROLL UP SERVICE DOORS  
& ATTACHED OFFICE (METAL BUILDING)

**Proposed Building Characteristics**

Size of any new structure(s) or building addition(s) in gross sq. ft. NO NEW BUILDINGS.

Building height in feet (measured from ground to highest point): NA.

Height of other appurtenances, excluding buildings, measured from ground to highest point (i.e. antennas, mechanical equipment, light poles, etc.):

NA.

Project site coverage:	Building Coverage:	<u>4,631</u>	Sq.Ft.	<u>2.6</u>	%
	Landscaped Area:	<u>66,858</u>	Sq.Ft.	<u>37.0</u>	%
	Paved Surface Area:	<u>108,906</u>	Sq.Ft.	<u>60.4</u>	%
	Total:	<u>180,395</u>	Sq.Ft.		100%

Exterior building materials: EXISTING (NO CHANGE)

Exterior building colors: EXISTING (NO CHANGE)

Roof materials: EXISTING (NO CHANGE)

Total number of off-street parking spaces provided: \_\_\_\_\_  
 (If not on the project site, attach a Signed Lease Agreement or Letter of Agency)

Describe the type of exterior lighting proposed for the project (height, intensity):

Building: EXISTING (NO CHANGE)

Parking: POLE MOUNTED - GENERAL AREA SECURITY. (CONFINED TO SITE)

Estimated Construction Starting Date JUNE 2022 Estimated Completion Date SEPT. 2022

If the proposal is a component of an overall larger project describe the phases and show them on the site plan:  
ONE PHASE.

**Residential Projects**  
 (As applicable to proposal)

Total Lots \_\_\_\_\_ Total Dwelling Units \_\_\_\_\_ Total Acreage \_\_\_\_\_

## **ACKNOWLEDGMENTS/AUTHORIZATIONS/WAIVERS**

### **SENATE BILL 18 COMPLIANCE:**

Senate Bill 18 requires the City to contact and consult with California Native American Tribes when adopting or amending a General Plan or Specific Plan or when designating land as open space. The purpose of the consultation is to protect Native American cultural places that may be impacted by the proposed action. The tribes have 90 days to respond and request a consultation. If a consultation is requested, additional studies or surveys may be required. If further study is required, the applicant(s) will be responsible for any additional costs. **Your application may not be considered complete if additional consultation with the Tribes is required.** The applicant's signature on this application form signifies an acknowledgement that this statement has been read and understood.

### **CULTURAL RESOURCES REVIEW:**

The City of Turlock may refer this application to the Central California Information Center (CCIC) to determine whether a records search or focused study addressing cultural resources will need to be conducted by a cultural resource consultant. Should this referral occur, the applicant(s) understand that further study by a cultural resources consultant may be required. If a records search or further study is required, the applicant(s) will be responsible for any additional costs. **Your application may not be considered complete if a Records Search or Archaeological study is required.** The applicant's signature on this application form signifies an acknowledgement that this statement has been read and understood.

### **BIOLOGICAL RESOURCES REVIEW:**

The City of Turlock includes areas of "Critical Habitat" as defined by the US Fish and Wildlife Service for specific federally listed threatened and endangered species. Other sensitive biological resources are also present within the County as shown on the California Natural Diversity Data Base maps. Your application will be forwarded to various resource agencies for review and comment. The applicant(s) understand that further study by a biological resources consultant may be required. If further study is required, the applicant(s) will be responsible for any additional costs. **Your application may not be considered complete if a Biological study is required.** The applicant's signature on this application form signifies an acknowledgement that this statement has been read and understood.

### **CALIFORNIA REGIONAL WATER QUALITY CONTROL BOARD - STORM WATER PERMIT REQUIREMENTS:**

Storm water discharges associated with construction activity are a potentially significant source of pollutants. The most common pollutant associated with construction is sediment. Sediment and other construction related wastes can degrade water quality in creeks, rivers, lakes, and other water bodies. In 1992, the State Water Resources Control Board adopted a statewide General Permit for all storm water discharges associated with construction activity that disturbs five or more acres of land. Effective March 10, 2003, all construction sites disturbing one or more acres of land will be required to obtain permit coverage. The General Permit is intended to ensure that construction activity does not impact water quality. You need to obtain General Permit coverage if storm water discharges from your site and either of the following apply:

- Construction activities result in one or more acres of land disturbance, including clearing, grading, excavating, staging areas, and stockpiles or;
- The project is part of a larger common plan of development or sale (e.g., subdivisions, group of lots with or without a homeowner's association, some lot line adjustments) that result in one or more acres of land disturbance.

It is the applicant's responsibility to obtain any necessary permit directly from the California Regional Water Quality Control Board. The applicant(s) signature on this application form signifies an acknowledgment that this statement has been read and understood.

**ASSESSOR'S INFORMATION WAIVER:**

The property owner(s) signature on this application authorizes the Stanislaus County Assessor's Office to make any information concerning the property involved as part of the application available to the City of Turlock.

**DEED RESTRICTIONS & COVENANTS, CONDITIONS & RESTRICTIONS (CC&RS):**

The property involving this permit request may be subject to deed restrictions called Covenants, Conditions and Restrictions (CC&Rs) or a variety of private easements or other deed restrictions which may restrict the property's use and development. These deed restrictions are private agreements and are **NOT** enforced by the City of Turlock. Consequently, development standards specified in such deed restrictions are **NOT** considered by the City when granting permits. You are advised to determine if the property is subject to deed restrictions and if so, contact the appropriate homeowners association and adjacent neighbors about your project prior to proceeding with construction. Following this procedure will minimize the potential for disagreement among neighbors and possible litigation.

**TECHNICAL STUDIES:**

If the project site is on or near a historical site, archaeological site, landfill site, river, floodplain, state highway, freeway, railroad, or airport, or if the project is identified by a resource agency or the City as potentially impacting sensitive agricultural, biological, hydrological, geological, mineral or other resources, or if specific environmental impacts are identified throughout the course of the project review, then specific technical studies may be required. Applicants are encouraged to contact the Turlock Planning Division at the earliest possible opportunity to determine the possible need and scope of such studies.

**DISCLOSURE OF INFORMATION:**

The information contained in this application, including, but not limited to, supporting documents, maps, drawings, illustrations, special studies and reports, is public information and subject to disclosure under the California Public Records Act. Applicants should be aware that this information is provided to the public, businesses, public and private organizations, the news media, and any other person upon request. Only that information which is necessary to properly describe and assess the impacts of the project is required to be submitted with the application.

## INDEMNIFICATION

In consideration of the City's processing and consideration of this application for approval of the land use project being applied for (the "Project"), and the related California Environmental Quality Act (CEQA) consideration by the City, the Owner and Applicant, jointly and severally, agree to indemnify the City of Turlock ("City") from liability or loss connected with the Project approvals as follows:

1. The Owner and Applicant shall defend, indemnify and hold harmless the City and its agents, officers and employees from any claim, action, or proceeding against the City or its agents, officers or employees to attack, set aside, void, or annul the Project or any prior or subsequent development approvals regarding the Project or Project condition imposed by the City or any of its agencies, departments, commissions, agents, officers or employees concerning the said Project, or to impose personal liability against such agents, officers or employees resulting from their involvement in the Project, including any claim for private attorney general fees claimed by or awarded to any party from City. The obligations of the Owner and Applicant under this Indemnification shall apply regardless of whether any permits or entitlements are issued.
2. The City will promptly notify Owner and Applicant of any such claim, action, or proceedings that is or may be subject to this Indemnification and, will cooperate fully in the defense.
3. The City may, within its unlimited discretion, participate in the defense of any such claim, action, or proceeding if the City defends the claim, actions, or proceeding in good faith. To the extent that City uses any of its resources responding to such claim, action, or proceeding, Owner and Applicant will reimburse City upon demand. Such resources include, but are not limited to, staff time, court costs, City Attorney's time at their regular rate for external or non-City agencies, and any other direct or indirect cost associated with responding to the claim, action, or proceedings.
4. The Owner and Applicant shall not be required to pay or perform any settlement by the City of such claim, action or proceeding unless the settlement is approved in writing by Owner and Applicant, which approval shall not be unreasonably withheld.
5. The Owner and Applicant shall pay all court ordered costs and attorney fees.
6. This Indemnification represents the complete understanding between the Owner and Applicant and the City with respect to matters set forth herein.

## **CEQA FILING FEES**

Most, if not all, development projects submitted to the City of Turlock require some level of review under the California Environmental Quality Act, or CEQA. CEQA is a State law that requires an analysis and public report on the potential environmental effects of any project that is carried out, or approved, by a local agency, like the City of Turlock. Three types of reports are typically prepared for development projects: 1) a CEQA Exemption; 2) a Negative Declaration (or Mitigated Negative Declaration); or 3) an Environmental Impact Report. The most common form of report required for a project is either the Exemption or the Mitigated Negative Declaration. The City of Turlock Planning Division staff will tell you what type of document is required based upon the type of project you are submitting, the characteristics of the property and its surrounding environment, and other factors that are spelled out in CEQA.

### **Exemption**

Pursuant to CEQA Guidelines Section 15061, the City of Turlock is responsible for reviewing the project to determine whether or not it is exempt from CEQA review. A CEQA Exemption is applied when a development project falls into either one of two categories: 1) statutory exemptions; or 2) categorical exemptions. These exemptions are defined in State Law and in the CEQA Guidelines. Statutory exemptions are very specific project categories that the State Legislature chose to exempt from CEQA by adopting specific State laws. Categorical exemptions are categories of projects that the Secretary for Resources has determined do not have a significant effect on the environment. If staff has determined that your project is exempt, the project will be circulated to the public with that designation noted in the referral documents. Other agencies and individuals may disagree with this determination. If your project is subject to Planning Commission or City Council approval, the determination will ultimately be made by one of those governing bodies. If your project is not subject to their approval, staff will make this determination.

Once the project is approved, CEQA allows either the agency or the applicant to file a Notice of Exemption. The Notice must be filed with either the Office of Planning and Research or the Stanislaus County Clerk/Recorder for 30 days and starts a 35-day statute of limitations on legal challenges. Typically, these notices are filed within five (5) days of approval of the project by the City of Turlock. The City of Turlock does not automatically file these documents on behalf of the applicant. The applicant may choose to file the notice directly or ask the Planning Division to file it on his/her behalf. If the City is asked to file the Notice of Exemption, an additional fee will be charged for this service in addition to the fee charged by the County to post the Notice. You must submit a written request with the fee, if you choose to have the City of Turlock file this notice on your behalf. If the notice is not filed, the statute of limitations will increase from 35 days to 180 days.

### **Mitigated Negative Declaration**

If a project is not exempt from CEQA review, the project is most likely to require a Mitigated Negative Declaration pursuant to CEQA Guidelines Section 15070 (although, on very rare occasions, an Environmental Impact Report may be required). A Mitigated Negative Declaration is required when the project has the potential to create an environmental effect but it has been determined that the effect can be reduced or eliminated by modifying the project in some manner. These modifications are known as "mitigation measures". Staff will prepare an Initial Study that describes the project, the potential environmental effects, and any mitigation measures required to reduce or eliminate any potential environmental effect. A separate "environmental review" fee is charged to the applicant for this additional work.

Upon approval by the City of Turlock, the City of Turlock is required file a Notice of Determination pursuant to California Public Resources Code Section 21152 with either the Office of Planning and Research or the Stanislaus County Clerk/Recorder for 30 days. In order to begin the 30-day statute of limitations on legal challenges, the notice MUST be filed within 5 days of approving the project. The City of Turlock automatically files this document and the staff costs to file the notice are included in the separate environmental review fee.

## DEPARTMENT OF FISH AND WILDLIFE CEQA FILING FEES

Pursuant to California Fish & Wildlife Code §711.4, the City of Turlock is required to collect the following filing fees for the Stanislaus County Clerk, on behalf of the California Department of Fish & Wildlife, for the following projects. The statute was amended last year. Under the amended statute, a lead agency may no longer exempt a project from the filing fee requirement by determining that the project will have a de minimis effect on fish and wildlife. Instead, a filing fee will have to be paid unless the project will have *no effect* on fish and wildlife. (Section 711.4 (c)(2) of the Fish and Game Code). If the project will have any effect on fish and wildlife resources, even a minimal or de minimis effect, the fee is required.

A project proponent who believes the project will have *no effect* on fish and wildlife should contact the Department of Fish and Wildlife. If the Department of Fish and Wildlife concurs the project will have no such effect, the Department will provide the project proponent with a form that will exempt the project from the filing fee requirement. Project proponents may contact the Department by phone at (916) 651-0603 or through the Department's website at [www.wildlife.ca.gov](http://www.wildlife.ca.gov). Pursuant to California Fish & Game Code §711.4(e)(3), the department (CDFW) shall assess a penalty of 10 percent of the amount of fees due for any failure to remit the amount payable when due. The department may pursue collection of delinquent fees through the Controller's office pursuant to Section 12419.5 of the Government Code.

Additionally, California Fish & Game Code §711.4(f) states the following: Notwithstanding Section 12000, failure to pay the fee under subdivision (d) is not a misdemeanor. All unpaid fees are a statutory assessment subject to collection under procedures as provided in the Revenue and Taxation Code. Failure to pay the necessary fee will also extend the statute of limitations for challenging the environmental determination made by the City, thus increasing exposure to legal challenge. The type of environmental determination to be made by the City may be discussed with the project planner following the environmental review stage of the project and will be outlined in Planning Commission staff report.

1. Any project for which a Negative Declaration or Mitigated Negative Declaration is prepared pursuant to the California Environmental Quality Act and having some effect on fish and wildlife: \$2,406.75 [Fish & Game Code §711.4(d)(2)] plus a \$57.00 County document handling fee.
2. Any project for which an Environmental Impact Report is prepared pursuant to the California Environmental Quality Act and having some effect on fish and wildlife: \$3,343.25 [Fish & Game Code §711.4(d)(3)], plus a \$57.00 County document handling fee.

Upon an environmental determination concerning your project/application by the Turlock Community Planning Department, a check made payable to the Stanislaus County Clerk in the appropriate amount (i.e., \$2,463.75 or \$3,400.25) will be required of you before your application will be further processed.

***YOUR PROJECT WILL NOT BE SCHEDULED FOR HEARING BEFORE THE PLANNING COMMISSION OR CITY COUNCIL UNTIL THIS FEE HAS BEEN SUBMITTED TO THE PLANNING DEPARTMENT.***

**PROPERTY OWNER/APPLICANT SIGNATURE:**

I hereby certify that the facts, statements, and information presented within this application form are true and correct to the best of my knowledge and belief. I hereby understand and certify that any misrepresentation or omissions of any information required in this application form may result in my application being delayed or not approved by the City. I hereby certify that I have read and fully understand all the information required in this application form including:

1. the Hazardous Waste and Substance Sites List Disclosure Pursuant to California Government Code Section 65962.5(f) on page 20;
2. the Acknowledgments/Authorizations/Waivers starting on page 22; and
3. the Indemnification on page 24; and
4. the Department of Fish and Game CEQA Review Filing Fees on page 26.

## **PUBLIC NOTIFICATION REQUIREMENTS**

Any project that requires a public hearing before the Planning Commission requires public noticing to adjacent neighbors. The Zoning Ordinance requires the following:

- Posting of a Notification Sign - *Applicant's responsibility*
- Notification of all Property Owners of Record located within 500 feet of the Proposed Project - *City's responsibility*

In addition to the notification of property owners within 500 feet of the proposed project, a sign must also be posted at the site. Attached is a copy of the On-Site Posting Requirement and Certification of Posting. It is the applicant's responsibility to post and remove this public notice sign.

If you have any questions regarding these requirements, please contact the Planning Division at (209) 668-5640.

**TO: City of Turlock Development Services Department**

SKW & ASSOCIATES

**APPLICANT:**

DAVID STARCK, ARCHITECT.

**PROJECT NAME:**

NEW TRUCK PARKING LOT. (43 SPACES)

The undersigned does hereby declare that the sign (shown in the attached photograph) has been posted on the site. The sign has been posted in conformance with the Turlock Municipal Code as instructed by the Turlock Planning Division.

I do further agree to indemnify, defend all lawsuits, including reasonable attorney's fees, save and hold the City of Turlock, its officers and employees, free and harmless for any and all liability that may arise from posting the sign on the property.

**CERTIFICATION OF POSTING**

# ON-SITE POSTING INSTRUCTIONS

This posting requirement applies to any project that requires a public hearing before the Planning Commission. In compliance with the Public Noticing requirements of the Turlock Municipal Code, you will need to post the following sign on the project site. The sign must be placed on the project site in an outside location visible and legible to the public. The sign must be constructed of durable outdoor material (such as corrugated plastic) to be a minimum of 4' by 6', and may not exceed 6 feet in height. The sign should be mounted on two (2) posts, visible from the street (maximum of 10 feet from the back of curb or 5 feet from the sidewalk, and located out of the clear vision triangle, depending on site conditions), and located on each street frontage carrying pedestrian and/or vehicular traffic. If this location cannot be accommodated, please contact the Turlock Planning Division for further direction at (209) 668-5640. The sign must remain posted and maintained and be free of damage until final project decision. **The sign must be removed by the applicant or property owner within 10 days of the project decision.**

An illustration of the sign contents is provided below. The text and illustration must occupy the entire area of the 4' x 6' sign. The illustration shall be a minimum of 2' x 2' in size and shall be clearly visible from the adjacent sidewalk or curb. The font for the title ("NOTICE OF PLANNING PERMIT APPLICATION") shall be a minimum of 3.75" in height and shall be formatted on two lines, as illustrated below. The remaining text shall be a minimum of 2.25" in height. All fonts shall be Arial and bolded where shown below:

## **NOTICE OF PLANNING PERMIT APPLICATION**

**NOTICE IS HEREBY GIVEN** that an application for a development permit for this property has been filed with the **CITY OF TURLOCK.**
